

Disclosure of the donations, supports, and fundings for the development and promotion of the *Software*.

(2008 - 2014)

Date	Funding Agencies	Purpose	Amount	Remarks
05/2008-08/2008	NIH-NIDCD / Northwestern University: Memorial Hospital, Chicago, IL 60611.	To develop the foundation of the HART program to study the outcomes of the IMRT treatments in head and neck cancers on the project " <i>Oropharyngeal Function after Radiation Therapy with the IMRT</i> " (PI: Dr Bharat Mittal)	\$6000.00	Research Fellowship Support / NIH-NIDCD Grant # RO1DC007659-01A1
11/05/2008	Northwestern University: Memorial Hospital, Chicago, IL 60611.	To present the HART research paper at 50 th Annual Meeting of <i>American Association of Physicist in Medicine</i> (AAPM; July 27-31, 2008), in Houston, Texas.	\$587.67	Northwestern Medical Faculty Foundation (NMFF) Conference Support
03/16/2009	University of Illinois at Chicago Graduate College, Chicago, IL 60607.	To present the HART research paper at the 54 th Annual Meeting of the <i>American Physical Society</i> (APS; March 16-20, 2009), in Pittsburg, Pennsylvania.	\$298.50	University of Illinois, Graduate Student Research Conference Support
11/23/2009	Northwestern University: Memorial Hospital, Chicago, IL 60611.	To present the HART research paper at the 51 st Annual Meeting of <i>American Association of Physicist in Medicine</i> (AAPM; July 26-30, 2009), in Anaheim, California.	\$1326.79	Northwestern Medical Faculty Foundation (NMFF) Conference Support

02/13/2010	University of Illinois at Chicago Graduate College, Chicago, IL 60607.	To present the HART research paper at the <i>SPIE Medical Imaging Annual Conference</i> (SPIE; Feb 13-18, 2010), in San Diego, California.	\$300.00	University of Illinois, Graduate Student Research Conference Support
07/15/2011	Southwest Airlines Company, Dallas, TX 75235.	To provide travel support to the selective students presenting the <i>cancer research work</i> in the medical conferences held in the United States and North-American Zone.	\$457.50	Southwest Airlines LUV Voucher: 5262175749408 (Midway Airport, Chicago to SeaTac Airport, Seattle)
08/04/2011	Northwestern University: Memorial Hospital, Chicago, IL 60611.	To present the HART research paper at the 53 rd Annual Meeting of the <i>American Association of Physicist in Medicine</i> (AAPM; July 29- August 03, 2011), in Vancouver, Canada.	\$284.90	Northwestern Medical Faculty Foundation (NMFF) Conference support
05/03/2012	Sloan-Kettering Memorial Cancer Centre (SKMCC), New York, NY 10065.	To present the <i>application of the HART Program</i> in radiation therapy research.	\$688.83	SKMCC- Fellow Candidate Research Presentation Support
05/15/2012	University of Maryland, School of Medicine (UMSM), Baltimore, MD 21201.	To present the <i>application of the HART Program</i> in radiation therapy research.	\$634.78	UMSM- Fellow Candidate Research Presentation Support
05/27/2012	University of California at Los-Angeles (UCLA) Health Science System, Los-Angeles, CA 90095.	To present the <i>application of the HART Program</i> in radiation therapy research.	\$838.36	UCLA-HSS-Fellow Candidate Research Presentation Support
07/05/2012	Rose-Hulman Institute of Technology (RHIT), Terre-Haute, IN 47803.	To promote <i>application of HART Program</i> in radiotherapy research and Medical Physics.	\$254.92	RHIT- Faculty Candidate Research Presentation Support
08/02/2012	Northwestern University: Memorial Hospital, Chicago, IL 60611.	To present the HART research paper at the 54 th Annual Meeting of the <i>American Association of Physicist in Medicine</i> (AAPM; July 29- August 02, 2012), at Charlotte, North Carolina.	\$503.12	Northwestern Medical Faculty Foundation (NMFF) Conference Support

10/28/2012	HART Research Group (HRG): Charity Source, Chicago, IL & Princeton Radiation Oncology (PRO), Monroe, NJ.	To present the application of HART program at the 54 th Annual Meeting of the <i>American Society of Therapeutic Radiation Oncology</i> (ASTRO; Oct 28- 31, 2012) at Boston, Massachusetts.	\$755.58	HRG/PRO Conference Support
12/12/2012	RUSH University Medical Center (RUMC), Chicago, IL 60612.	To present the <i>application of the HART Program</i> in radiation therapy research.	\$100.00	RUMC- Fellow Candidate Research Presentation Support
07/28/2013	Analysis in Radiotherapy and Research Center (ARRC): Charity Source, Chicago, IL.	To promote <i>application of HART Program</i> in research and education in medical physics at Atlanta Metropolitan State College, University of Georgia System, Atlanta, Georgia.	\$399.20	ARRC Medical Physics Education Support
08/08/2013	Analysis in Radiotherapy and Research Center (ARRC) : Charity Source, Chicago, IL & Princeton Radiation Oncology (PRO), Monroe, NJ.	To present the radiobiological modeling paper at the 55 th Annual Meeting of the <i>American Association of Physicist in Medicine</i> (AAPM); Aug 03- Aug 08, 2013), at Indianapolis, Indiana.	\$394.85	ARRC/PRO Conference Support
09/21/2013	Northwestern University: Memorial Hospital (NUMH), Chicago, IL 60611.	To present the application of HART program at the 55 th Annual Meeting of the <i>American Society of Therapeutic Radiation Oncology</i> (ASTRO; Sep 21- 24, 2013) at Atlanta, Georgia.	\$690.00	NUMH/ Northwestern Medical Faculty Foundation (NMFF) Conference Support
11/20/2013	Epidemiology Branch, National Cancer Institute (NCI), National Institute of Health (NIH), Bethesda, MD 20852	To present the radiobiology <i>application of the HART Program</i> in radiation therapy research.	\$603.01	NCI/NIH- Fellow Candidate Research Presentation Support
07/20/2014	Epidemiology Branch, National Cancer Institute (NCI), National Institute of Health (NIH), Bethesda, MD 20852	To present the radiobiology application of HART program at the 56 th Annual Meeting of the <i>AAPM</i> (July 20- July 24, 2014), at Austin, Texas.	\$1373.25	NCI/NIH Conference Support

09/14/2014	Epidemiology Branch, National Cancer Institute (NCI), National Institute of Health (NIH), Bethesda, MD 20852	To present the application of HART program at the 56 th Annual Meeting of the <i>American Society of Therapeutic Radiation Oncology</i> (ASTRO; Sep 14- 17, 2014) at San-Francisco, California.		NCI/NIH Conference Support
